*To everything there is a season;
And a time to every purpose under the heaven:
A time to be born; and a time to die;
A time to plant; and a time to pluck up that which is planted;
A time to kill, and a time to heal;
A time to break down, and a time to build up;
A time to weep, and a time to laugh;
A time to mourn, and a time to dance;
A time to cast away stones, and time to gather stones together;
A time to embrace, and a time to refrain from embracing;
A time to get, and a time to lose;
A time to keep, and a time to cast away;
A time to rend, and a time to sew;
A time to keep silence, and a time to speak;
A time to love, and a time to hate;
A time of war, and a time of peace.*

Senior Class History

In September of 1964, as Sophomores, the class of 1967 began three memorable years of high school life.

Our chance to participate in an activity as a class came with our first Homecoming. The Sophomore representative was Cindy Hubbert.

The Winter Carnival followed on January 29, and the Sophomore class elected Nancy Beahm as its attendant. In May, as spring rounded the corner, the Sophomore class was ably represented at the May Dance Showboat by Darlene Hall, Judy Longest, and Cindy Hubbert.

After three months of summer jobs, sun and sand, and just plain loafing, we returned as Juniors. Pleased with our new status, we looked forward to making our mark as upperclassmen. Our first task was to elect class officers which included Bud Elzey, President; Deane Hudson, Vice President; Darlene Hall, Secretary; and Cindy Hubbert, Treasurer. The Junior Class was also honored to have four executives on the Student Council: Neil Messick, 2nd Vice President; Mary Ellen Harrison, 3rd Vice President; Darlene Hall, Secretary; and David Cantrell, Treasurer.

During Homecoming of our Junior year, we again chose Cindy Hubbert to represent our class at the ceremony. Elected as Junior attendant at the Winter Carnival was Darlene Hall.

The Junior Class plays were presented in March. An all-girl cast starred in the humorous spy spoof "Spy Me This One." Not to be outdone, the boys presented the tragedy "Submerged."

The next month, Sandra Lohrfink and Ellen Givans were selected by the Junior Class to be May Court attendants.

Our Junior year ended with the traditional Junior-Senior Banquet on March 27.

Again, after three months of summer vacation, we returned with the superior status of being Seniors. Leading the Student Council as officers were seniors Neil Messick, President; Darlene Hall, 1st Vice President; and Janice Shaffer, Parliamentarian. The results of the Senior Class elections were: Billy Hyle, President; Heather Woodman, Vice President; Judy Longest, Secretary; David Cantrell, Treasurer, and Pat Hitch, Historian.

The editors of school publications and their staffs rushed to meet deadlines as the Senior year rolled on. Editors included: Janice Shaffer, Tom-Tom; Karen Brittingham, Wi-Hi News; and Bill Taylor, Indian Chant.

Our exchange student was Christopher Long from Swaziland, South Africa.

Homecoming Queen for 1966-67 was Debbie Swaney, attended by Seniors Nancy Beahm and Toni Truitt.

The 1967 basketball team had a winning season, ending the year at College Park participating in the State Championships. Before qualifying for State Finals, Wi-Hi tromped their cross town rivals Bennett at the Civic Center.

The Senior dramatic students presented the fantasy "The Wizard of Oz" as the Senior Class Play.

Judy Longest reigned as queen over the delightful Winter Carnival. Also successful were the two spring dances--the Twirp Dance and the May Dance.

On May 26, the Senior Class traveled to Washington on the Senior Class trip. The day was climaxed by a memorable midnight cruise up the Potomac.

The Senior Prom finally arrived with the beauty and splendor of a "Polynesian Paradise."

Commencement and graduation followed all too soon, and then--it ended. Our high school days at Wi-Hi were completed.

During the years at Wi-Hi, we have learned a great deal. Minds have been sharpened, social attitudes have been formed, and ambitions have been shaped and nurtured. Most importantly, we have established ourselves as individuals. Each of us has his own "Impossible Dream" and in the future, with the grace and the guidance of God, we shall "reach the unreachable star."

Dear Wi Hi,

In May, 1966, I heard that I would be coming to Salisbury, Maryland. I did not know what to expect. When school began in September, I soon realized that I was one of the luckiest exchange students, since I had been placed in one of the greatest schools in the country. I was overcome. I was overcome by the friendliness and generosity of the whole student body and faculty. One of the many memories I will take home will be of the warmth I felt when I joined you, as a foreigner, but not as a stranger.

I hope that Wi Hi'ers, as a school and as individuals, will continue to take an active interest in the American Field Service program, and, in doing so, will discover countries as they really are, and not as any misconception they may have. In this way, one learns time and again that human nature is the same the whole world over, no matter what the colour, country, or creed.

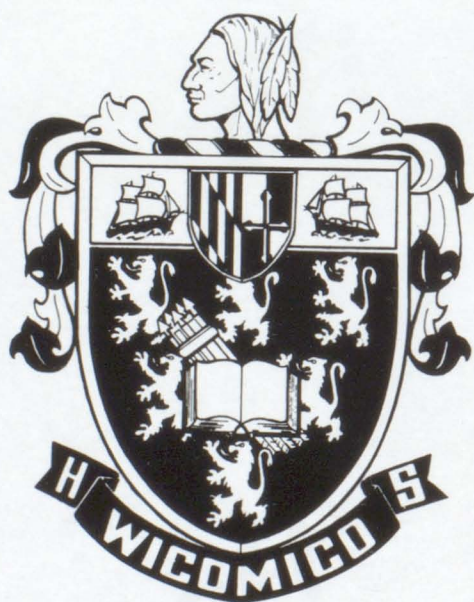

I would like to take this opportunity in thanking the students and faculty of Wi Hi for making this year for me in the United States of America such an exciting one, and one that I will always remember with many a happy thought. I hope my stay has been worthwhile to you, and that you have learned that Swaziland is not all jungles and cannibals.

Everything of the best,
Chris Long

EXCHANGE

It was Wi Hi's loss and New Zealand's gain when Nancy Thornton left Salisbury. Everyone hated to see her go, and certainly will miss her, but this is a once in a lifetime chance for Nancy, as Chris Long will tell anyone!

CAREER DAY

Career Day, held this year on February 28th, is always an interesting and profitable day for Sophomores. The morning assembly featured Mayor Dallas Truitt as its guest speaker. At the conclusion, students went to designated class rooms to discuss occupations of their interest. Here, the discussions gave specific information as to the requirements and opportunities of the fields, so that the students could plan their education to prepare for future vocations.

POLYNESIAN PARADISE

April 19 marked the social climax of the Senior year, the 1967 Senior Prom. The exotic theme Polynesian Paradise was beautifully carried out in the decorations, refreshments, and the entertainment. Seniors and teachers had worked several months on the decorations which included a huge entrance volcano, surf boards, and Tiki gods. Students from Mrs. Meta Smith's dramatic classes presented scenes from "South Pacific."

Senior parents added to the night's enjoyment by inviting the Seniors to an after-Prom luau. This cleverly planned breakfast included plenty of food, music, and entertainment.

The 1967 prom Polynesian Paradise was truly a beautiful and memorable event.

VICTORIOUS is the one word needed to describe the 1966-67 Junior Varsity basketball team. The J.V.s, who lost only one game, should provide another exciting year as 1967-68 Varsity members. Some of the J.V.s often filled in for Varsity games, which will provide plenty of experience for next year's Varsity.

Dual victories included Bennett, North Carolina, Mardela, Crisfield, Easton, Pocomoke, Stephen Decatur, Cambridge and a single victory over Mace's Lane. The Milford loss was in overtime and by only a few points.

Mr. Howard Waller coached the Junior Varsity team. Congratulations to Coach Waller and his team.

Song: "Impossible Dream"

"To dream the impossible dream,
To fight the unbeatable foe,
To bear with unbearable sorrow,
To run where the brave dare not go.

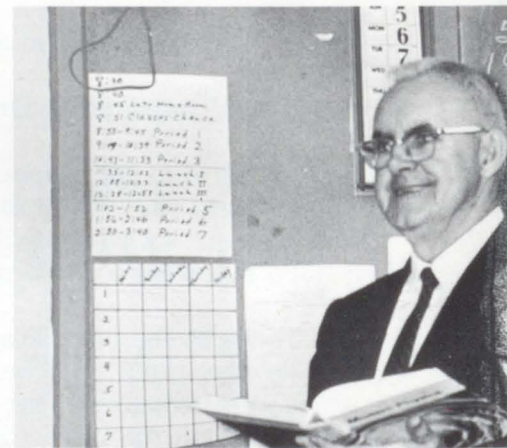

To right the unrightable wrong,
To love pure and chaste from afar,
To try when your arms are too weary,
To reach the unreachable star!

This is my quest,
To follow that star,
No matter how hopeless,
No matter how far,
To fight for the right without question or pause,
To be willing to march into hell for a heavenly cause!

And I know,
If I'll only be true
To this glorious quest,
That my heart will lie peaceful and calm,
When I'm laid to my rest,

And the world will be better for this;
That one man,
Scorned and covered with scars,
Still strove with his last ounce of courage,

To reach the unreachable stars."
